

## **Friends of los Peñasquitos Canyon Preserve**

**March 18, 2020**

### **Cancellations**

**Hello friends, due to the Corona virus the Friends are reluctantly cancelling all of our hikes and restoration events through April 15. We won't publish our new events calendar until the virus emergency has passed. Meanwhile, enjoy the trails with your family, but keep the appropriate distance, about 6', from other people.**
